

MPA's Educational Grant

MPA encourages its member to take opportunities in continuous learning activities. This is to enable mental health services provided in Malaysia to keep abreast with the latest development in the field. Members are also encouraged to share their knowledge with colleagues locally and internationally. As a step to achieve this objective, MPA has allocated Educational Grant. The conditions of the grant are as follow:

1. Applicant is an active member of MPA who intended to attend a psychiatric related conference.
2. Either oral or poster presentation has been **accepted** at the conference (proof is required).
3. The details of expected expenses related to the conference must be submitted in the application. Request for reimbursement with proof of payment upon approved amount should be sent to MPA not later than 1 months after the conference finished.
4. Priority is given to early carrier psychiatrist (i.e. less than 5 years duration after qualified as psychiatrist).
5. For conference in the Asia Pacific region, only **once a year** application will be processed.
6. For conference which taking place outside Asia Pacific region, only **once in two years** application will be processed.
7. Application should be submitted to MPA no later than 2 months duration prior to the conference. Please send your application to MPA's email address, secretariat@psychiatry-malaysia.org.

Approval of sponsorship will be notified by MPA via email.
